

A truly unbiased media is essential to our democracy and Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is anti-American, and a perfect example of the dangers of media consolidation. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest giving equal time to both sides.

I demand Sinclair either retract their proposal, or give equal time to an opposing viewpoint, or have their licence suspended.

If the FCC fails to perform it's duties at this crucial moment, the public will forever lose confidence in the FCC's ability to guard the public interest.

Thank You.
